# Hardware and Software Requirements

AuthentiCare Mobile Minimum Supported Versions:

- Android 5.1.1
- iOS 13.x

**Note: For iOS, Fiserv supports two releases back for the current release.**

AuthentiCare Web Application Supported Versions:

- Microsoft Edge
- Apple Safari
- Google Chrome
- Mozilla Firefox
- Microsoft Internet Explorer

**Note: Fiserv will verify the current browser releases available at that time and verify compatibility with the two prior versions of each browser.**
