7. Is ATR available in all Counties?

ATR is offering services in Benton, Craighead, Crawford, Faulkner, Garland, Independence, Jefferson, Lonoke, Pulaski, Saline, Sebastian and Washington, White Counties.

8. When can we make specific services available?

Due to the federal regulations, in general, we can only offer a particular service (e.g. transportation, housing, outpatient treatment) when we have **two** providers in a county that the clients can choose from. Exceptions include transitional housing and residential treatment.

9. How can we find what services are available?

The website is updated once a week to reflect new providers and services as they are added. Please view updated list at: <http://humanservices.arkansas.gov/dbhs/Pages/AccessToRecovery.aspx>

10. When are the upcoming trainings?

Dates below are our upcoming trainings. As location information is determined, we will update the website. Registration links will be added soon.
