**DIVISION OF YOUTH SERVICES (DYS):**

**Dermott Juvenile Correctional Facility:**

Ms. Carla Daniels reported the purpose of the SIS Board telephone conference call was to discuss the Dermott Juvenile Correctional Facility lift station replacement. Lockeby and Associates Engineers will provide all architecture and engineering services as required for the project. Ms. Daniels reported the lift station has been a problem for 4 -5 years and DYS has been just patching the system. Ms. Daniels reported DYS is paying Thompson Tank Pumping Service anywhere from \$200 – \$400 per day to pump out the lift station. Lockeby and Associates Engineers have submitted a quote for \$70,000 but it still has to go before ABA for bids and approval. Ms. Daniels requested the SIS Board to approve the expenditure.

**Mr. Micheal Burden made a motion to approve to spend up to \$70,000 for a lift station replacement at the Dermott Juvenile Correctional Facility. Mr. David Williams seconded the motion. Motion was passed.**

**Ms. Clara Ferron made a motion to adjourn the meeting. Mr. Doug Kidd seconded the motion. Motion was passed and the meeting adjourned at 9:06 am.**

Respectfully Submitted:
