4.01 The ABC Program serves educationally deprived children, ages birth through 5 years, excluding a kindergarten program. The Arkansas Better Chance for School Success Program serves children ages 3 and 4 years from families with gross income not exceeding 200% of the FPL. Programs wishing to enroll a kindergarten-eligible child must obtain a written waiver from DCCECE before enrolling the child in ABC. Parents must also complete a kindergarten waiver process through the local school district.

4.02 To be eligible, children shall reside within the boundaries of an Arkansas school district. Programs may accept children outside of their local area if they have exhausted local recruiting efforts and have unfilled ABC slots.

4.03 Eligible children for the ABC program shall have at least one of the following characteristics:

- Family with gross income not exceeding 200% of FPL
- Parents without a high school diploma or GED
- Low birth weight (below 5 pounds, 9 ounces)
- Parent is under 18 years of age at child’s birth
- Immediate family member has a history of substance abuse/addiction
- Has a demonstrable developmental delay as identified through screening
- Eligible for services under IDEA
- Income eligible for Title I programs
- Limited English Proficiency
- Parent has history of abuse of neglect or is a victim of abuse or neglect

4.04 Eligible children for the ABC for School Success program must meet the following qualifications:

- Must be three or four years old by ADE cutoff date.
- Gross family income ≤ 200% of FPL
- A program is available in the area where the child resides and there is available space for the child to attend.

To receive special education services a child must reside within certain district/co-op boundary lines.

4.05 To enroll an eligible child, the child’s parent or guardian shall furnish documentation of eligibility and other required information, including household income and household member information. A list of all acceptable documentation will be published annually by DCCECE. Children of parents or guardians refusing to furnish required information shall be deemed ineligible for participation. Programs are responsible for verifying eligibility before the child attends and shall maintain copies of eligibility documentation in the child’s record.
4.06 A copy of the child’s birth certificate or hospital record listing a date of birth is required. If official documentation of date of birth is unavailable, the ABC program shall follow the guidelines of the local district in such instances.

4.07 In determining income eligibility, programs shall use a family’s gross income from employment plus any unemployment compensation. Documentation of income eligibility must be present in each child’s record. If pay stubs are used to document eligibility, recent documents (dated within 30 days) shall be used. DCCECE shall publish a list of acceptable documentation annually. If a three-year old child has been qualified for ABCSS, that child shall remain eligible for two years.

4.08 Families claiming no earned income (full-time students or unemployed) shall produce a signed and notarized statement to that effect, which shall be maintained in the child record.

4.09 Parents or guardians shown to have submitted a falsified document shall be subject to repayment of funds to DCCECE and referral for prosecution.

4.10 Agencies shown to have enrolled ineligible children or children with no documentation of eligibility shall be required to repay the funds expended on behalf of the child to DHS.

4.11 An age-eligible child who falls into one of the following categories shall be exempt from family income requirements:

  - Child with an incarcerated parent
  - Child in the custody of/living with a family member other than mother or father
  - Child with immediate family member arrested for or convicted of drug-related offenses
  - Child with a parent activated for overseas military duty

4.12 The ADE and DCCECE may develop a fee schedule and establish eligibility based on family income for children who are not eligible under Section 4.4, but priority enrollment shall be provided to children eligible under Section 4.4. Families who are qualified for enrollment under a sliding fee scale should pay fees directly to the program. The amount of any parent co-pay as determined by DCCECE shall be deducted from the reimbursement to programs accepting children on a sliding fee scale.

4.13 DCCECE, with approval from ADE, may grant waivers to children not meeting the eligibility criteria under Sections 4.3 or 4.4 but possessing multiple risk factors for learning and developmental impairment. Requests for such waivers must be submitted to DCCECE in writing and will be considered on a case by case basis.

4.14 Children having certain risk factors may be eligible for home-visited services, in addition to attending a center-based ABC program. See Section 18.6 for eligibility requirements.

4.15 Eligible children shall not be denied enrollment into an available ABC program or dismissed from an ABC program due to non-payment of any fees associated with another child care program.
SECTION 5 – PROGRAM/AGENCY ELIGIBILITY

5.01 Any child care provider meeting these criteria is eligible to apply for funding:
   - Located within the boundaries of the State of Arkansas
   - Licensed by DCCECE as a Child Care Center or Child Care Family Home with no history of formal corrective action or founded complaints which pose an immediate safety risk within 12 months of application date
   - Has no outstanding debt to DCCECE or ADE (This requirement shall be suspended if an appeal is pending.)
   - Has obtained State Quality Approval accreditation OR is eligible for such accreditation in the space to be used for the ABC program
   - Can provide matching funds in accordance with local to state 40:60 funding ratio

The local-to-state match may be waived by DCCECE if the program is in a school district that has been designated by ADE as being in academic distress and DCCECE determines that the school is unable to provide the local-to-state match requirement. This determination may be made only after DCCECE has assisted the school in identifying potential funding sources to provide local-to-state match requirements.

5.02 Any provider wishing to be considered for funding must fully complete a grant application supplied by DCCECE. Grant applications will be evaluated and scored on the following factors:
   - Current status of child care license and quality approval accreditation
   - The degree to which the program can provide a developmentally appropriate preschool program as outlined in the grant application
   - A strategy of collaboration with the local business and education community
   - A fiscally-responsible budget which correlates to core quality models
   - A plan of action for parent involvement

5.03 DCCECE will determine an acceptable cutoff score for approved applications. Questions and concerns regarding grant scoring should be referred to the Program Administrator. The ABC Administrator shall make the final determination of all grant scores. Grant scores are final.

5.04 All applications shall include a budget which corresponds to the ABC core quality components, details program costs and demonstrates fiscal responsibility. Allowable costs include:
   - salaries/fringe
   - instructional materials
   - staff development
   - developmental screenings
   - parent/community engagement activities
   - financial assistance for staff working towards a degree or credential, including but not limited to books, tuition and travel.
SECTION 6 – FUNDING

6.01 Upon approval of an ABC application, the order of funding shall be based on criteria stated in Act 49 of 2003, which includes areas of the state containing:
  - Schools that have 75% or more students scoring below proficiency level on the primary benchmark exams (math and literacy) in the preceding two (2) school years
  - Schools designated by ADE as being in school improvement status
  - Schools located in a school district in academic distress.

Other factors determining areas to be funded may include socio-economic status of the service area and the availability of existing quality preschool services in an area.

6.02 Any program funded through ABC shall work in collaboration with DCCECE, ADE, local businesses and other early childhood providers (school districts, educational cooperatives, Head Start, HIPPY, private and non-profit providers, etc.) to ensure that all eligible children are served in the most suitable environment. This collaboration shall include, but is not limited to, participation in and/or facilitation of local early childhood meetings and referring families to other programs when appropriate.

6.03 The required local 40% match may include only the cost of providing necessary services for ABC children. Matching funds may be cash or in-kind.

6.04 State ABC Funding (60%) for the core components of the program may include salaries and fringe for staff giving direct services to ABC children, professional development, child assessment, developmental screening, meaningful parent and community engagement activities, proven curricula and learning processes, transportation and administration.

6.05 The maximum amount of funding is based upon projected child enrollment. Programs will be paid monthly. Payment shall be pro-rated for agencies not in operation a full program year. During the year, programs shall be audited to ensure compliance with child enrollment and attendance policies. An ABC program found to be enrolling ineligible children shall be required to repay applicable funds to DHS and be subject to all collection proceedings allowed by law. Funds may be withheld from future payments to satisfy repayment. Overpayments or the amount of any end of year carry-forward funds shall be deducted from future payments.

6.06 DCCECE shall not be responsible for sending out additional or late payments due to failure of Agency to enter data in COPA. DCCECE will assume any payments not disputed within 30 days of receipt shall be correct. DCCECE cannot retroactively pay any Agency for previous year services.

6.07 Payment shall be withheld if a program does not comply with reporting requirements.

6.08 ABC is intended to supplement, not supplant, existing early childhood funding sources.

6.09 Funding, not to exceed 2% of the total ABC funding pool, shall be available from the ABC monies for the additional support services required of DCCECE in administering the ABC program.
SECTION 7 – REPORTING

7.01 All child, family and staff information shall be maintained in COPA by the program. Attendance shall be taken daily and recorded in COPA at least monthly. 7.03 An Agency shall operate its ABC program according to the financial guidelines outlined in the grant application instructions.

7.04 A complete and final disclosure audit of each ABC program is required and must be submitted annually for review to DCCECE. Any ABC program that is annually reviewed by Legislative Audit may submit the summary completed by that agency. All final audits shall be submitted within 120 days of the program's fiscal year completion.

7.05 Programs that fail to adhere to a reporting deadline or respond to a request for information by DCCECE will be subject to compliance action as outlined in Section 21.

7.06 Children qualifying under the sliding fee scale must be clearly marked as such in COPA. Programs shall also report any non-ABC qualifying children who have been assigned to an ABC classroom. Failure to do so is grounds for a compliance plan (See Section 21). DCCECE will inform programs as to the manner that reporting shall take place.

7.07 Once a grant agreement has been signed, any change made to the program whatsoever shall be reported to DCCECE within five (5) working days of the change. This includes, but is not limited to, any changes in address, phone, e-mail address, staff, slot locations or budget items.

SECTION 8 – APPLICATION/RENEWAL APPLICATION

8.01 The Request for Applications will specify all application procedures for an ABC program. DCCECE is not obligated to review any proposal received after the submission deadline stated in the application.

8.02 If all ABC funds are not allocated or expended during any program year, the DCCECE may initiate an additional application period to fully obligate all available funds.

8.03 An Agency shall operate its ABC program in accordance with all information contained in the grant application. Any deviation from the information in the application must first be approved by DCCECE. This includes budget items.

9.03 Agencies that are barred from participating in DHS programs pursuant to DHS Policy 1088 shall be ineligible for participation in ABC. Grant agreements for any existing programs excluded pursuant to this policy shall be terminated immediately. Programs placed on corrective action by DHS shall be subject to ABC compliance action as outlined in Section 21.

9.04 DCCECE is directly responsible for the inspection and evaluation of programs as referenced in Section 9.1. Inspections and monitoring visits may occur without prior notice. This includes quality visits, program reviews or any other visit by a DCCECE or authorized representative.

9.05 All ABC classrooms shall meet the criteria for becoming an "approved" Early Childhood program under the Arkansas Child Care Approval System Rules and Regulations, Ark. Code Ann. 6-45-103 and 106 (Supp. 1993). An overall score of 5.0 is required for the ERS which is applicable to each classroom. DCCECE will utilize the following procedure for any program failing to meet these requirements:

<table>
<thead>
<tr>

Any agency which is not renewed pursuant to this policy shall be ineligible to reapply for an ABC grant for a period of 12 months.

At the discretion of DCCECE, the following may be considered as mitigating circumstances: impact of deficiencies on child health, safety and welfare; willingness to improve upon factors within Agency control; likelihood of program passing next review and the time in which such improvements can be implemented. Recommendations for improvement may include staff changes.

9.06 For each child enrolled, ABC programs shall provide a minimum of 7 hours per day, 178 days per year for instruction.

14.03 When a child presents with challenging behavior, teaching staff shall follow the standards of NAEYC Accreditation:

- Observe the children, then identify events, activities, interactions and other factors that predict and may contribute to challenging behavior.
- Rather than focus only on eliminating the behavior, teaching staff shall focus on teaching the child social, communication, and emotional regulation skills and using environmental modifications, activity modifications, adult or peer support and other teaching strategies to support the child's appropriate behavior.
- Teaching staff shall respond to challenging behavior, including physical aggression, in a manner that:
  - provides safety of the child
  - provides for the safety of others in the classroom
  - is calm
  - is respectful to the child
  - and provides the child with information on acceptable behavior.

(From Accreditation Standards, National Association for the Education of Young Children)

14.04 Teacher-parent discussions regarding a child's behavior shall be held in private and shall focus on working as a team to develop and implement an individualized plan that supports the child's inclusion and success. (Adapted from NAEYC) Teachers should request technical assistance from DCCECE on any discipline issues on which they have questions.

14.05 If necessary, intervention shall ensure each child has access to professional services, such as referrals to the educational cooperative behavioral specialist, the ADE-funded regional support network for early autism identification, community mental health center and a private therapist. If a child in question has a disability and is in the process or has been identified under IDEA, the ABC program shall follow state special education rules and regulations governing suspension/expulsion.

14.06 If children demonstrate inappropriate behavior, as indicated by the results of the DECA given by ABC staff, the ABC program shall consult with the Early Childhood Special Education program regarding classroom modifications and interventions.

14.07 For any ABC child also receiving special education services, appropriate staff from the Education Cooperative or school district shall have access to the child at mutually agreeable times during the program day in order to provide services outlined in the child's IEP.

14.08 For any ABC child requiring the intervention services of special education, the ABC program shall collaborate with special education professionals to ensure each party has access to necessary information to provide the appropriate services. Early Education Special Education teachers shall have access to any information pertaining to a child receiving special education that is in the possession of the ABC program that would be necessary for reviewing and evaluating the child's progress in the general education setting. Access to proprietary information on the child shall be on a need-to-know basis.

14.09 A child shall not be dismissed from the ABC program due to a lack of toilet training skills. Nor may a program refuse to admit a child because of toilet training issues if the child meets all other age and income eligibility requirements.
14.10 ABC programs shall assist children not yet toilet-trained with cooperation and enthusiasm. Programs shall not employ toilet-training techniques which could be construed as punishment or shaming the child. Programs are encouraged to include the parent or guardian in any plan so it may be reinforced at home. Funds from ABC may be used to purchase resources necessary to support toilet training.

SECTION 15 – ASSESSMENT AND SCREENINGS

15.01 DCCECE and ADE shall work cooperatively to ensure that the assessments are conducted as required by Act 49 of 2003.

15.02 Children in the ABC program shall be assessed annually to provide an indication of each child’s progress towards school readiness.

15.03 The assessment shall address a child’s strengths, progress, and needs and shall serve as a central part of an effective early childhood program. The assessment instrument selected by DCCECE and ADE shall be used for children enrolled in an ABC program.

15.04 A comprehensive longitudinal study shall be implemented to evaluate the ABC program to ensure that the program goals are achieved. The study will be designed to use sound research-based evidence to determine whether the programs meet the expected standards. This research shall include children entering the program at ages three (3) and four (4) years and follow the children through completion of the fourth grade benchmark exams. Research results will be provided annually to the Governor and the Senate Interim Committee on Education and the House Interim Committee on Education.

15.05 Within forty-five (45) days of entering an ABC program, a child shall receive a routine annual developmental screening to determine individual needs. The program agency shall be responsible for completing the developmental screening. The purpose of screening is to identify developmental delays and/or educational deficiencies. Children so identified shall be referred to Special Education within seven (7) calendar days of the date of screening. Programs shall comply with state and federal laws for Special Needs students.

15.06 The developmental screening must include, at a minimum, the following areas: vocabulary, visual-motor integration, language and speech development, fine and gross motor skills, social skills and developmental milestones.

15.07 DCCECE will provide a list to programs of all acceptable developmental screening instruments on an annual basis.

15.08 Within 45 days of the first day of attendance, every child shall receive an age-appropriate health screening, which includes a hearing and vision test, performed by a licensed physician or physician assistant. Programs should contact DCCECE for information on seeking a waiver under Ark. Code Ann. 6-18-701 (Repl. 1993). Programs shall work in partnership with parents to obtain health screening information.
15.09 On or before the first day of attendance, parents or guardians shall provide proof that their child is current on all required immunizations or is on an acceptable “catch up” schedule. A waiver from this requirement may be granted from the Arkansas Department of Health under ACA 6-18-702 (Repl. 1993).

15.10 Every classroom shall be equipped with a computer with high-speed internet access (where available in the state). Each home-based educator shall also have such access to a computer. This equipment is necessary for the timely completion of enrollment data in COPA and assessment data in the Work Sampling System.

SECTION 16 – PARENT AND COMMUNITY INVOLVEMENT

16.01 Each program shall have a plan for parent involvement which includes opportunities for parental input into program operation and design. Parent involvement plans shall include a mechanism for parental advice and review of programmatic plans, parent conferences and a method to involve the parent in the child's educational experience.

16.02 The program shall have an "open door" policy for parents which encourages visiting and participation in classroom activities. Opportunities for at least two parent-teacher conferences shall be given to parents.

16.03 The program shall publish and utilize a parent handbook specifically for ABC program.

16.04 Each program shall have a plan for community/school district/educational services cooperative/agency involvement, which includes a description of how cooperation with other service providers who are concerned with the education, welfare, health and safety needs of young children, will be established and maintained. Programs should consider providing opportunities for community representatives to participate in the educational activities of the classroom.

SECTION 17 – TRANSPORTATION

17.01 ABC Programs shall be required to comply with all applicable state and federal laws and guidelines (including the National Highway Traffic Safety Administration's Guidelines for the Safe Transportation of Children in School Buses), as well as Child Care Licensing Standards, regulating the transportation of children.

17.02 Offering transportation to and from an ABC program is strictly optional. DCCECE and ADE accept no liability for the transportation of children participating in an ABC program. Program agencies shall be responsible for the actions of their drivers. Drivers are subject to all background checks and exclusionary violations applicable to school district employees having contact with children.

17.03 If an ABC program is approved to use the “buddy” system on a bus, the Agency shall NOT pair an ABC child with another child younger than sixth grade.
17.04 An ABC child shall NOT be released from the vehicle unless an authorized adult meets the vehicle at a stop or in front of the child’s home. Programs shall never release an ABC child from the vehicle alone. After exiting the vehicle, an ABC child shall not cross a street unless accompanied by the authorized adult.

SECTION 18 – OTHER PROGRAM MODELS

18.01 Alternate programs may include, but are not limited to, Licensed Child Care Family Homes, PAT and HIPPY. These programs will comply, where applicable, with the regulations herein.

18.02 All ABC funded alternate program models will be developmentally appropriate, meet applicable health and safety standards, provide developmental and health screenings and ensure immunizations of the child served.

If the same Agency operates both a center-based and home-visiting program, dual enrollment shall not exceed 25% of the average of both programs’ enrollment.

19.07 Center-based and home-visiting programs shall collaborate in providing services to any child qualifying for dual enrollment under 19.06.

19.08 The Arkansas HIPPY Training and Technical Assistance (T and TA) Office will monitor and assist HIPPY programs throughout the state. Annual program site reviews and assessments will be forwarded to DCCECE for consideration of program compliance and funding renewal. The Arkansas HIPPY Office will assist DCCECE with determining program compliance at the local level.

19.09 HIPPY programs shall meet requirements as set forth in Sections 4-9 and 13-16.

19.10 Group meetings should reflect the educational programming standards as set forth in Section 13 and guidelines set forth in the HIPPY model.
