November 8, 2016
 Holiday Inn Airport
 Little Rock, Arkansas
 9:00 am-4:00 pm

Purpose: To foster seamless transition and long-term success of Pre-K and Kindergarten children by promoting the continuity of services between Head Start, Arkansas Better Chance, Home Visiting, Child Care/CCDF, and Public School Kindergarten, including interoperable data systems and assurances that children enter public school ready to learn.

Each School Readiness Team is invited to participate in the Annual School Readiness Summit on Tuesday, November 8, 2016, at the Holiday Inn Airport, Little Rock, Arkansas. Please bring your results-oriented team members (11) for a day of excitement and learning! We will have other sponsors showcasing their transition, data analysis, and school readiness products. The theme for this event is **“Connecting the Links for Success”**.

We have a full day planned for you and your team! Each Team Leader should register your team members to save your spot for this dynamic event! Each team must have a representative in the following categories: Child Care (preferably CCDF), Head Start Representative, Infant/Toddler Representative, PreK Teacher, PreK Director, ABC Teacher, HIPPIY Representative, Special Education Representative, Principal, Kindergarten Teacher, and Parent. Space is limited.

This year, there will be a registration fee of \$100 per team or \$15 per person if each team member pays registration separately. Other activities include food, door prizes, resource materials, and much more.

Sponsored by: The Arkansas Division of Child Care and Early Childhood Education, Arkansas Head Start-State Collaboration Office, and Arkansas Department of Education
If awarded grant funding, there may be funds available to assist teams financially on the local/community level.
