

Instructions

Foster Parent Request for Consideration to Adopt CFS-489

Purpose

This form shall be completed by all foster parents at the guardianship staffing when adoption is made the goal or any time thereafter when the foster parents wish to formally register their interest or lack of interest in being considered for adopting a child in foster care who is currently residing in their home.

Completion

Section A is to be completed by foster parents who are interested in adopting the child currently in their care.

Section B is to be completed by foster parents who are **not** interested in adopting the child currently in their care.

Section C is to be completed by foster parents to indicate whether or not they are interested in adopting siblings of the child in foster care, if those siblings are available for adoption.

Section D is to be completed in all cases.
