

## CHRIS Release 16.6 – October 2, 2008

- **Investigation** – Completed by DCFS Investigators and CACD Investigators at time of Investigation Closure:
  - **Path: Investigation/Investigation Closure Screen:**
  - **New message Block to prevent Investigation Closure** when there is no identified relationship between alleged offender and alleged child victim. The Error Message: The investigation cannot be closed until the relationship between alleged offender and alleged victim is selected on victim's and offender's Relationship screen.
  
- **Case** – Completed by DCFS Caseworkers when completing the Service Status Tab of the Case Plan:
  - **Path: Case/Case Plan/Plan/Services Status/Services Offered/Delivered/Service Status Tab:**
  - Services Offered/Delivered Screen:
    - Service Status Tab:
      - Add Status button:
        - ❖ **“Select Service Status Response Window”**
          - **Add Specific Service Name to Title** (for example, “Select Service Status – Housing);
          - **New Warning Message** appears: “If the Provider for the selected Service is a CHRIS Provider, you must click the Find Provider button to select the Provider ID. If the Provider is not a CHRIS Provider, please enter the name of the Provider in the Comments section.” This message will also appear at the bottom of the screen.
          - **‘Find Provider’ button relocated** to the immediate right of the Provider picklist value
          - **Provider ID displayed** next to the Provider Picklist
  
- **Provider** – There are two enhancements – showing the clients served by the Provider and the mandatory FBI checks:
  1. Clients selected in the Service Status Tab of the Case Plan for the specific Provider will be displayed on the Services Provided Information Tab on the Placement and Services Recipients screen in Provider Tool Bar:
    - **Path: Provider/Directory/Placement & Services Recipients Screen/Services Provided Information Tab:**
    - Placement and Services Recipients Screen:
      - Services Provided Information:
        - The following information will come over to this screen from the Service Status Tab when the Provider ID is selected in the Select Service Status Response Window:
          - ❖ Client ID
          - ❖ Client Name
          - ❖ Service Offered
          - ❖ Begin Date
          - ❖ End Date – (blank)
          - ❖ Status Type – the following will appear in both the Open Services and All Services radio buttons:
            - Achieved

- In Progress
- In Progress/Selecting a Provider
- Not Achieved
- Not Available
- Partially Achieved
- Provider Declined
- Refused
- Referred

- ❖ Service Log/Case Plan – new column to indicate if the Provider was selected in the Service Status Tab of the Case Plan or was selected in the Service Log in the Investigation log

## 2. FBI Requirement changes for Approvals and Re-Evaluations on Foster/Adopt/Therapeutic/DDS Specialized Family Members

- **Path: Provider/Directory/Members/Required Checks Tab:**
- Required Checks Tab:
  - **FBI Check Requirement** – on all members 16 years and older (was 14 years):
    - For **Approval** – mandatory and must be within one year of approval date;
    - For **Re-Evaluation** – mandatory if an FBI check wasn't completed on family member at time of approval; but there's no within the year restraint requirement);
    - **CHRIS Net Report** on Provider's Youth Approaching 16 Years Of Age Who Need FBI Check to assist Resource Workers to obtain an FBI check when youth turns 16 years of age.
