**Workload for: Dialog Box**

**Path: Workload/Workload-Case-Referral-I&R-Provider Dialog Box/Workload/Workload for: Dialog Box**

- A “County” column has been added to the Workload for: Dialog Box Case/Referral/Other Listing Inset Grid that displays the County for each Workload assignment. The County displayed will be the County selected:
  - Referral/Investigation and R/A:
    - The County of Investigation selected on the Referral Screen.
  - Case:
    - The Family Location County selected on the Case Summary Screen.
  - Provider:
    - The Physical Location Address County selected on the Provider Information Screen Address/Telephone Tab for the Physical Location Address Type in the County picklist.
- The Case Types have been added to the Type column display for Case Assignments in the Workload:
  - Case (Adopt)
  - Case (CPS)
  - Case (ICAMA)
  - Case (ICPC – In State)
  - Case (ICPC-Out State)
  - Case (ILP)
  - Case (SS)
- The Workload assignments may be sorted by County and Type.

**Inbox Dialog Box**

**Path: Inbox/Inbox Dialog Box**

- A “County” column has been added to the Inbox Dialog Box that displays the County for each Workload assignment.
- The Case Types have been added to the Type column display for Case Assignments in the Inbox Dialog Box.
- The Inbox assignments may be sorted by County and Type.

**Assign/Transfer**

**Path: Workload\Assign\Transfer**

A new value in the Secondary Description picklist on the Assign/Transfer Screen was added: **‘Health Care Staff Services’**.

**Version Notes**  
**CHRIS Release 19.7 - June 23, 2011**

**Provider:**

**Provider Information**

**Path: Provider\Directory\Info**

The picklist title was changed from '**Parenting Structure**' to '**Parenting Arrangement**'. The existing picklist value '**Unmarried Couple**' was changed to '**Two Parent Home**'.

Revised wording on Web-Inquiry cover page, along with changing '**Parenting Structure**' to '**Parenting Arrangement**' picklist.

**Board Payment Cycle Information Screen**

**Path: Provider/Brd Cycle**

- The Sort Order was corrected to sort by Calendar Month.
- 'Select Board Payment Cycle Year' was re-titled 'Select Board Payment Cycle Calendar Year'

**NYTD:**

**NYTD Clients Information Screen**

**Path: NYTD button on Main Toolbar**

- 'DHS Sensitive' was added to the top and bottom of the Excel file that is created when the **Save NYTD Clients Data As... command button** is used to save the data on the screen as an Excel file.

**Org/Staff:**

**Staff Information**

**Path: Org\Staff\Staff Information**

Expand the 'Position' field on the Staff Information screen. Show staff general information screen when you select 'OK' on Find Staff person screen

**General Information:**
