

CHRIS Logon:

Arkansas CHRIS Logon Screen

Path: CHRIS icon

- When logging into CHRIS with incorrect Passwords, the following additional message was added to inform users CHRIS passwords **are case sensitive**:
'Remember, Passwords are case sensitive (distinguishes between uppercase (capital) and lowercase (small) letters).'

NYTD:

NYTD Screen

Path: NYTD

- On the NYTD screen, the **Age** column was changed from 'Years, Months, and Days' to just 'Years and Days'. This is so it can be easily seen if the Baseline youth is between 17 and 45 days (the time the youth has to Submit the NYTD Survey while in foster care).
- The vertical and horizontal scroll bar will scroll faster and should be more 'user friendly'.
- **'History'** will now show for past NYTD Submissions (such as Reporting Period 2011A). Previously, 'History' with a blinking red light showed.

Board Payments:

Unpaid Board Payment Vouchers Screen

Path: Provider/Pay Hist/Board Payment Preliminary Preview/Review radio button

- **'Therapeutic Care'** was added to the **Filter**-'Payment Scale' selection

Referral:

Initial Referral (Snapshot) Report, CFS-6059

Referral Acceptance (Snapshot) Report, CFS-6052

Path: Workload/Referral-Investigation/Reports

These two Referral Reports had the following minor changes made under the **Client Information** grouping:

- Race Categories are now in the same order as on the Client Demographics and Client Info. screens. Previously, 'White' and 'Native Hawaiian or Other Pacific Islander' were in a reversed order.
- The 'Primary Role in Referral' field will show **under** the 'Client Number and Name' field. Previously, 'Primary Role in Referral' showed to the right of 'Client Number and Name'.
- The entire Client Ethnicity picklist selections will be displayed; for example, it will show 'Not Hispanic or Latino' instead of just 'Not Hispanic' on the Report.

Referral Log Screen

Path: Ref.Log/Referral Log Filter/Referral Log

- 'Type' was restored as a Sort order value.

Case:

'DHS Foster Care Trust-Transactions by Client' Report Assets Screen

Path: Workload/Case/Client/Finances/Assets

- The **Check Number** will no longer be cut off for **Dedicated** Trust Accounts on the 'DHS Foster Care Trust-Transactions by Client' report on the Client Assets screen.

Independent Living Checklist Screen

Path: Workload/Case/Services/IL/Select Client Dialog Box/IL Checklist/Select Independent Living Checklist-New Cklist/Independent Living Checklist Screen

- The Life Skills Assessment is now due annually. Records that have a 'Life Skills Assessment Date' of 01/01/2011 or after will show a 'Life Skills Assessment Review Date' converted from a 6 month date to a one year date.
- New Life Skills Assessment Dates entered **after** the 20.0 Release will generate a one year 'Life Skills Assessment Review Date'.

Medical Visits Screen

Path: Workload/Client/Medical Visits/Other Medical Condition

The following categories were added to the **Other Medical Condition** select box:

- History of Alleged Child Maltreatment Syndrome - Multiple
- History of Alleged Child Maltreatment Syndrome - Neglect
- History of Alleged Child Maltreatment Syndrome - Physical
- History of Alleged Child Maltreatment Syndrome – Sexual
- Tinea **Corporis**

The word '**Alleged**' was added to the following categories:

- Alleged Child Maltreatment Syndrome - Multiple
- Alleged Child Maltreatment Syndrome – Neglect
- Alleged Child Maltreatment Syndrome – Physical
- Alleged Child Maltreatment Syndrome – Sexual

Ticklers:

Tickler List Dialog Box

Path: Workload/Workload For:/Ticklers/Tickler List Dialog Box

Path: Ticklers/Tickler List Dialog Box

- A “Life Skills Assessment Review” Tickler will be created on new entries of the Life Skills Assessment Date on a Client’s Independent Living Checklist Screen with a Due Date of one year, which will be the Life Skills Assessment Review Date.
- The following Tickler Description will show for new “Life Skills Assessment Review” Ticklers:
Life Skills Assessment is due annually. To remove the current Tickler, enter the most recent Life Skills Assessment Date on the Independent Living Checklist Screen. This action also generates the next Tickler.
- The “6 Months Life Skills Assessment Review” Ticklers with a Due Date prior to 07/01/2011 that are currently displayed in the ‘Nature of Tickler’ column in the Tickler List Dialog Box will be converted to “Life Skills Assessment Review” and the Due Date will remain. When a new Independent Living Checklist Life Skills Assessment Date is entered for a Client, the “Life Skills Assessment Review” Tickler Due Date will be updated to one year from the Life Skills Assessment Date entered.

Tickler List Report:

Path: Workload/Referral-Investigation/Reports/Tickler List Dialog Box

Path: Workload/Case/Reports/Tickler List Dialog Box

Path: Organization/Reports/Tickler List Dialog Box

- The printed Tickler List Report will display the new Tickler Nature of “Life Skills Assessment Review” that appears in the Tickler List Dialog Box in the ‘Nature of Tickler’ column.

General Information:

The following enhancements or changes have been made in this release:

- All CHRIS application main screens are now re-designed to use the standard CHRIS resolution (1024 X 768 Pixels).
- All CHRIS application main screens will have a ‘Help’ button that, when selected, will bring up the Screen Description for the specific screen.
- The latest security patches were applied to the CHRIS Oracle production database.
- CHRIS performance improvement – delete unused indexes and add new index for client merge.
- Modify the procedure/function that inserts records into TLOG_TRACK.
- Fixed the county address of ‘Sevier DHS Office – DeQueen’.
