RE: Advisory Memo - Phone Number Changes for OLTC

The Office of Long Term Care has recently had a new phone system installed. This has resulted in most – but not all – phone numbers changing. The Office of Long Term Care provides a Contacts web page that lists units within OLTC and the contacts for those units. The phone number and an email link is also provided.

Please update your contact information to reflect the new phone numbers listed on the Contacts page. The contacts page is located at:
