Quarterly Performance Report

In Compliance with Act 1222 of 1995

Report Period July 2007 – September 2007

# **Executive Summary**

## **July 2007 – September 2007**

In the first quarter of FY 2008 the number of juvenile offenders in state custody increased from 763 in the previous quarter to 776. This is attributed to the increased number of juveniles in Juvenile Detention Centers (JDC).

Basic demographic characteristics remain unchanged. The population of youth committed to custody is predominately male (83%). Under half (40%) were committed on misdemeanor offenses. Over half (51%) are sixteen years of age or older.

In the first quarter, twenty-five (25) incidents of suspected abuse or neglect were reported to the DYS internal affairs unit. Of the twenty-five (25) incidents, the Arkansas State Police determined fifteen (15) merited an investigation. Of the fifteen (15), one (1) was founded, two (2) were unfounded, and twelve (12) remain under investigation. If the incident reported by a youth in DYS custody for alleged abuse occurred prior to placement with DYS, DYS is not privy to the outcome of those investigations.

\* Since the Hotline and the Investigations unit are two separate sections within the Arkansas State Police, the Hotline may accept an incident called in, then later the incident will not be investigated by the Investigations Unit after review of the circumstances. The DYS IAU never receives a follow-up on these reports to know whether they were ever investigated. Some of these incidents occurred prior to the juvenile being committed to DYS. The IAU does not receive notification of the findings in these incidents. Some incidents that are reported in one quarter may not be finalized by the State Police until sometime within the next quarter.
