Results of Prescription Drug Take Back Initiative

What: Press conference on Arkansas' Third Annual Drug Take Back Initiative

When: 10:30 a.m., Monday, November 7, 2011

Where: U.S. Drug Enforcement Agency, Little Rock District Office, Second Floor Conference Room, Two Financial Centre Building (Suite 200), 10825 Financial Centre Parkway, Little Rock, Arkansas, 72211.

Additional Information:

Law enforcement officials will discuss results of the statewide October 29, 2011 Drug Take Back event. This is the third time Arkansas has participated in the single day, nationwide effort to collect unwanted or unused prescription drugs and expired medicines. These medicines contribute to drug abuse, accidental poisonings and water pollution. The drugs collected will be incinerated.
