NOTE: Fee for service per member per month fluctuates due to timing of claims being paid. Additionally, payment of non-claims activity such as supplemental payments and disproportionate share hospital payments can significantly alter the per member per month amount for the month those payments are made.

Revision to January Figures: \$188,541 of Dental Managed Care was incorrectly reported in wrap services for individuals in the QHPs on the January 2019 Monthly Enrollment and Expenditures report. This amount should have been reported in Newly Eligible Fee for Service Payments. January data corrected on this report. Additionally, revision was made to QHP members and newly eligible FFS members. January 2018 amount for QHP members was inadvertently used in the previous months report.
