Why You Should Use PDR

- You will gain access to free trainings statewide that enhance your early childhood education skills.
- It recognizes you as a professional and connects you to other professionals and organizations within the field.
- You will receive top-notch education from early childhood education experts.
- It keeps a record of your trainings and professional documents which can be used to strengthen your resume.
- Your child care center can benefit by advancing in Better Beginning's levels.

Thousands of trainings offered around the state.

Sample of Topics Available

Early Learning and Development

From the moment we're born, we begin to learn. Discover ways to foster a love of learning.

Classroom Management & Behavior Guidance

Is it a case of the grumpies or miscommunication? You will learn so much about how to become a better behavior leader.

Nutrition & Physical Activity

Growing bodies need a good balance of proper nutrition and exercise. Develop ways to boost the value of your meal, snack, and play times.

Professionalism & Leadership

Grow your professional skills by selecting from several exciting trainings.

What Members are Saying

"You are a wonderful teacher. You made me want to complete all sessions and not just attend for the professional development hours I needed as required."

"When my husband picked me up I started talking nonstop about what I learned. He said I've never seen you like this before or after attending trainings all day."

"This training was life changing!"

"I am leaving the session with a ton of new ideas and approaches that can positively impact my work."

"I learned about NAEYC's initiative to recognize us as a professional, not babysitters or daycare workers. I am an Early Childhood Educator!"
