### Arkansas Infant Toddler Certificate

The Division of Child Care and Early Childhood Education (DCCECE) offers an Infant Toddler Certificate to support practitioners in acquiring skills and knowledge as part of a career pathway in the field of Infant and Toddler care. The Infant Toddler Certificate contains three levels of training, foundation, intermediate, and advanced, for each practitioner to complete. Upon completion of all three levels, practitioners can expect to build their professional competencies in supporting a young child’s social-emotional, cognitive, language, and literacy development.
