*The blue line above represents the number of children in care at the end of each month.*
Children in Foster Care 24 Months or Longer, Statewide

*The chart above represents the number of children who have resided in foster care for 24 consecutive months or longer at the end of the month.*
Entries into Foster Care During the Month, Statewide

*The chart above represents the number of entries into foster care during the month.*
Discharges from Foster Care During the Month, Statewide

*The chart above represents the number of discharges from foster care during the month.*
Children Entering Care whose First Placement is with Relative, Statewide

*The chart above represents the percentage of entries into care for the 12-month period concluding at the end of each month in which the child's first placement was with a relative or fictive kin.*
*The chart above represents the percentage of children residing with relatives at the end of each month.

*Children are considered to be residing with relatives if they are placed in a provisional relative or provisional fictive kin home, relative or fictive kin foster home, relative pre-adoptive home, ICPC home, or temporary family placement.
*The chart above represents the percentage of children residing in a family-like setting at the end of each month.

*Family-Like Settings include both family-like homes (e.g., foster family homes, relative placements, pre-adoptive homes, therapeutic foster homes) and family-like residential facilities (i.e., home-like residential settings with live-in house parents).
*The chart above represents the number of approved foster homes at the end of each month.*

Ratio of Foster Home Beds to Children in Foster Care, Statewide

Goal = 1.00

*The chart above represents the ratio of foster home beds to children in care at the end of each month.*
Recruitment of Foster Homes
Children Ages 10 to 17 Placed in Foster Homes, Statewide

*The chart above represents the percentage of children ages 10 to 17 who were placed in a foster home or provisional placement at the end of each month.

*For this measure, "Foster Homes" includes Foster Family Homes, Private Agency Foster Family Homes, Relative Foster Family Homes, Fictive Kin Foster Family Homes, Provisional (Relative), and Provisional (Fictive Kin).
**Children Placed in Emergency Shelter for Longer than 14 Days, Statewide**

*The chart above represents the number of children residing in an emergency shelter for longer than 14 consecutive days at the end of each month.*
Children Ages 12 and Younger Placed in Congregate Care, Statewide

*The chart above represents the number of children ages 12 and younger placed in congregate care at the end of each month.*

*For this measure, "Congregate Care" includes Emergency Shelter and QRTP placements as well as Residential Treatment Care and Residential Care Only programs that do not qualify as a family-like setting.*
In-Home Monthly Visits, Statewide

Goal = 85%

*The chart above represents the percentage of required visits made by family service workers to see in-home families during the month.*
*The chart above represents the percentage of required visits made by family service workers to see children in foster care during the month.

Goal = 85%
*The chart above represents the number of overdue investigations at the end of each month.

*An investigation that is overdue does not mean that the investigation is being ignored or is not being actively worked; rather, it signifies that the investigation has not yet been fully completed and approved within the required timeframe.
*The chart above represents the average family service worker caseload at the end of each month.*
