DSB DIRECTOR’S REPORT –

DSB Director Mr. Jim Hudson welcomed former DSB Field Supervisor, Mrs. Kara Aaron to the board, in her new capacity as Ex-Officio Board Member. Mrs. Aaron recently transferred to the federal Veterans’ Administration and has been selected to replace Mr. Buddy Spivey as the Blinded Veterans Association Representative on the DSB Board.
DSB Board Meeting Minutes
March 10, 2007

Mr. Hudson commended Mr. Spivey for his major contributions to the blind and the veterans of the State. Chairman Johnson presented a Certificate of Appreciation to Mr. Spivey for his leadership and dedication as an Ex-Officio member of the DSB board and predecessor boards from 1975 – 2006.

Mr. Hudson introduced Ms. Erica Gee, representative from the Arkansas Attorney General’s Office. Ms. Gee will advise and represent DSB and the Board as necessary.

HIGHER EDUCATION AGREEMENTS – Mr. Hudson reported that DSB is making progress in securing the 33 mandatory agreements with public institutions of higher education concerning our mutual services to students who are blind or severely visually impaired. DSB is working in tandem with Arkansas Rehabilitation Services in getting the agreements completed and keeping RSA apprised. Hopefully we will have most of them signed by the next board meeting.

BUDGET – The President has recommended the elimination of the guaranteed cost-of-living increase tied to the Consumer Price Index which is historically applied to Rehab funding each year. This proposal has not passed Congress and we are hoping the consumer organizations are able to get that change removed from the budget bill. They have been working very hard on it.

WORKFORCE - There are still a lot of issues concerning Workforce Centers that we need to be dealing with...Improving Workforce Center capacity to serve consumers with disabilities, and ensuring that consumers are aware of what services are available to them at the Workforce Centers.

RANDOLPH–SHEPPARD PROGRAM – The Randolph–Sheppard Program provides preference to licensed blind vendors to run snack bars and hot food arrangements throughout all federal buildings. This priority is still under attack nationally. Senator Ted Kennedy and his staff indicated that they would like to see the Randolph-Sheppard program privileges extended to persons of all disabilities.

RSA TELECONFERENCE - DSB Staff, DHHS staff, DSB Board Chairman Lindi Johnson, and RSA Federal staff participated in an hour long teleconference regarding the upcoming Federal Section 107 Review scheduled in June of this year. The Central Office of RSA will send an eight member review team to DSB for five days in June to look at Finances, Randolph-Sheppard operations, Vocational Rehabilitation, Older Blind, Technology, etc. Two board members have been contacted by RSA and will participate in a teleconference March 19 to discuss the Section 107 review process. DSB staff is actively preparing for the Review and the visit from federal officials.
TRANSITION CONFERENCE – The Transition Conference was a tremendous success with over 300 participants. DSB served as a sponsor and several DSB staff participated in the conference.

PAY PLAN STUDY – The State of Arkansas, Department of Finance and Administration Pay Plan Study is still a problem. The resulting recommendations give little or no salary adjustments to direct service or other DSB staff, even though numerous market studies support such increases. For now the Study has been tabled by the legislature, but it could be brought up again at any time.

JUMP START – Jump Start is scheduled June 10, 2007 through June 29, 2007. The applications have been posted on the DSB Website and at each Secondary School statewide. Two applications have already been received. We look forward to working with Superintendent Jim Hill and the Arkansas School for the Blind staff, and particularly the Jump Start participants. We have watched many positive things happen to our Jump Start alumni over the years...developing skills, getting jobs and graduating from college.

STATE PLAN – Chief of Field Services Donna Walker and staff are already making preparations for development of the rehabilitation State Plan which is due to RSA July 1.

DSB BUDGET – So far DSB has not received any recommendation from Governor Beebe for the requested increase in general revenue for the Older Blind program, and it does not look too promising.

END OF DIRECTOR’S REPORT

NEEDS ASSESSMENT COMMITTEE REPORT – Mrs. Sharon Berry presented the report of the Needs Assessment Committee, consisting of Mrs. Berry and Ms. Irma Nelson. The results of the needs assessment will be used by the board in setting the goals and priorities for the state plan due to RSA by July 1.
