9			I wanted to reach out to in reference to bid number 710-21-0049, Security Alarm System. We would like to submit a bid for this project; however, we were wanting to know if there would be a pre-bid meeting or walkthrough?	No.

10			<p>I'm just trying to see exactly how the Official Bid Price Sheet is being requested to be laid out. I can't tell if you are requesting a bid for each location separately (on multiple copies of the price sheet) or all locations quoted together, or just an itemized quote per device so that each location can be figured and quoted after the fact? Any help on this would be greatly appreciated. Thank you for your time.</p>	<p>If it makes it easier to itemize the quote per device, then all the locations could be figured out and totaled up. That would be fine and make it easier for y'all to bid.</p>
