

## CARES Act Payments to Hospital Direct Care and Nondirect Care Workers FAQs

Updated July 9, 2020

Q1: Are workers in Long-term Care Hospitals (LTCHs) eligible for direct care and nondirect care payments under the CARES Act?

Response: Yes, LTCHs are hospitals. Direct care workers and nondirect care workers are eligible for payments if the employer requested funding.

All other conditions for these payments apply, including timely filing and reconciliation of payments.

## CARES Act Payments to Hospitals FAQ

Updated July 9, 2020

Q1. Are Long-term Care Hospitals (LTCH) eligible for CARES Act funding to hospitals?

Response: Yes. LTCHs are specialty hospitals so they qualify for the additional \$50,000 CARES Act payments and COVID-19 positive payments.

All other conditions for these payments apply, including timely filing and reconciliation of payments.
