Rate Justification
For
Adoption Summary and Adoption Summary Update

HLH Consultants, LLC currently contracts with the Arkansas Department of Human Services for Adoption Summary and Adoption Summary Update. The current reimbursement for an adoption summary is \$300.00. We are proposing a slight increase of \$50.00 which would move the cost to \$350.00 per adoption summary. The current reimbursement rate for an adoption summary update is \$200.00. Again, we are requesting an increase of \$50.00 which would move this cost to \$250.00 per adoption summary update. Based on the current economy and inflation over the past eight years, these proposed costs are justifiable and includes face to face visit time and travel and administrative costs associated with providing this service.
