

ATTACHMENT D

PROFESSIONAL SERVICES CONTRACT GENERAL TERMS AND CONDITIONS FOR NON-STATE AGENCY

Contractor acknowledges its acceptance and agreement to these terms and conditions through submission of its proposal.

If the State so chooses, select terms may be negotiated at the State's sole discretion. However, **any terms and conditions designated as non-negotiable herein will be transferred to the contract as written.** DHS has determined that any attempt by a vendor to reserve the right to alter or amend non-negotiable terms and conditions via negotiations, without the approval of DHS, is an exception to the terms and conditions that will result in rejection of the proposal.

In consideration of the premises and mutual agreements hereinafter set forth, the Contractor and the Department of Human Services ("DHS" or the "State") agree as follows:

A. LEGAL CONSIDERATIONS (NON-NEGOTIABLE)

1. The contract shall be construed according to the laws of the State of Arkansas, and the rights and remedies of the parties hereunder shall be determined in accordance with Arkansas law. Any litigation involving the State must take place in Pulaski County, Arkansas. Any claims the Contractor may assert under this contract shall be brought before the Arkansas State Claims Commission ("Commission"), which shall have exclusive jurisdiction over any and all claims Contractor may have arising from or in connection with this contract. Unless Contractor's obligations to perform are terminated by DHS, the Contractor shall continue to provide the Services under this contract even in the event that the Contractor has a claim pending before the Commission. **NOTHING IN THIS CONTRACT MAY BE CONSTRUED AS A WAIVER OF THE STATES'S SOVEREIGN IMMUNITY.**
2. In no event shall the initial term of this contract extend beyond the end of the current biennial period unless the General Assembly, prior to the expiration of the biennial period, makes an appropriation for such purpose.
3. In the event of any dispute concerning the State's performance under the contract, Contractor shall notify the DHS Division Director in writing of any disputes or controversies that arise under or by virtue of the contract between the parties. This includes, without limitation, controversies based upon breach of contract, mistake, misrepresentation, or other cause for contract modification or recession.
 - a. The State Procurement Director, the head of a procurement agency, or a designee of either officer, is authorized prior to commencement of an action in court or any other action provided by law, to attempt to negotiate a settlement of the controversy with the parties in accordance with Ark. Code Ann. § 19-61-703. If the claim or controversy is not resolved by mutual agreement, and after reasonable notice to the parties is made in accordance with Ark. Code Ann. § 19-61-703(c)(1), the State Procurement Director, the head of a procurement agency, or a designee of either officer, shall promptly issue a decision in writing stating the reason for the actions taken and a copy of the decision shall be mailed or otherwise furnished to the Contractor. This decision will be final and conclusive.
 - b. Pending final determination of any controversy hereunder, Contractor shall proceed diligently with the performance of the contract and in accordance with DHS instructions.

Additionally, any Corrective Action Plan (CAP) that is related to the dispute(s) will remain in place until all assessed penalties are received by DHS. However, DHS may, at its sole discretion, release CAP(s) prior to receiving assessed penalties if it determines release to be in the best interest of the State.
 3. The Contractor shall submit all final billing invoices within sixty (60) days of contract expiration. Any billings for services rendered during a particular state fiscal year which are not submitted within ninety (90) days of the end of the fiscal year will not be paid.

E. CONTRACT REMEDIES. (NON-NEGOTIABLE)

1. **Actual Damages.** The Contractor is liable to the State for all actual and direct damages caused by the Contractor's Default. 2. **Liquidated Damages.** If actual and direct damages are uncertain or difficult to determine, or are otherwise not addressed in the Contract, the State may recover liquidated damages. Unless otherwise specified, liquidated damages will be in the amount of 1% of the value of the order, Deliverable, or milestone that are the subject of the Default, for every day that the Default is not cured by the Contractor. Any liquidated damages agreed upon in the Performance Standards attachment shall apply and the State will not invoke duplicative damages.
3. **Right to Withhold or Offset.** The State may withhold payment or set off the amount of any liquidated damages, other damages, or any other obligation of the Contractor or its subsidiaries to the State, including any amounts the Contractor owes to the State under this Contract, against any payments due to the Contractor under this Contract.

- c. If upon cancellation, Contractor has provided commodities that DHS is unable to return in normal condition or services which the State of Arkansas has accepted, and there are no funds legally available to pay for the commodities or services, Contractor may file a claim with the Arkansas State Claims Commission under the laws and regulations governing the filing of such claims. This provision shall not be construed to abridge any other right of termination the agency may have. Availability of funds will be determined at the sole discretion of DHS.
2. **Procedure Upon Expiration or Termination.** Upon delivery by electronic mail or certified mail to the Contractor of a Notice of Termination specifying the nature of the termination and the date upon which such termination becomes effective, the Contractor shall:

 - h. Take such action as may be necessary, or as the DHS representative may direct, for the protection and preservation of the property related to the contract which is in the possession of the Contractor and in which the DHS has or may acquire an interest.
 - i. Contractor shall proceed immediately with the performance of the above obligations notwithstanding any delay in determining or adjusting the amount of any item or reimbursable price under this clause.
3. **Termination Claims**
- a. After receipt of a Notice of Termination, the Contractor shall submit to DHS all outstanding claims within ten (10) working days. The Contractor and DHS may agree upon the amounts to be paid to Contractor by reason of the total or partial termination of work as described in this section.
 - b. In the event of Contractor and DHS's failure to agree, in whole or in part, on the amount to be paid to Contractor in connection with the total or partial termination of work as described in this section, DHS shall determine, on the basis of information available, the amount, if any, due to Contractor by reason of termination and shall pay to the Contractor the amount so determined.

G. Contractor

1. It is expressly agreed that the Contractor, its officers, and employees of the Contractor or Sub-Contractor, in the performance of this contract shall act in an independent capacity and not as officers or employees of DHS. The parties will subsequently cooperate in good faith to amend the contract to comply as mandated through either a change order or amendment, whichever is deemed necessary under applicable laws and/or rules.

W. TECHNOLOGY ACCESS:

Accessibility Act 1227 of 1999

When procuring a technology product or when soliciting the development of such a product, the State of Arkansas is required to comply with the provisions of Ark. Code Ann. § 25-26-201 et seq., as amended by Act 308 of 2013, which expresses the State's policy to provide individuals who are blind or visually impaired with access to information technology purchased in whole or in part with state funds. Contractor expressly acknowledges and agrees that state funds may not be expended in connection with the purchase of information technology unless that system meets the statutory requirements found in 36 C.F.R. § 1194.21, as it existed on January 1, 2013 (software applications and operating systems) and 36 C.F.R. § 1194.22, as it existed on January 1, 2013 (web-based intranet and internet information and applications), in accordance with the State of Arkansas technology policy standards relating to accessibility by persons with visual impairments.

ACCORDINGLY, CONTRACTOR EXPRESSLY REPRESENTS AND WARRANTS to the State of Arkansas through the procurement process by submission of a Voluntary Product Accessibility Template (VPAT) or similar documentation to demonstrate compliance with 36 C.F.R. § 1194.21, as it existed on January 1, 2019 (software applications and operating systems) and 36 C.F.R. § 1194.22, as it existed on January 1, 2019 (web-based intranet and internet information and applications) that the technology provided to the State for purchase is capable, either by virtue of features included within the technology, or because it is readily adaptable by use with other technology, of:

1. Providing, to the extent required by Ark. Code Ann. § 25-26-201 et seq., as amended by Act 308 of 2013, equivalent access for effective use by both visual and non-visual means;
2. Presenting information, including prompts used for interactive communications, in formats intended for non-visual use;
3. After being made accessible, integrating into networks for obtaining, retrieving, and disseminating information used by individuals who are not blind or visually impaired;

6. Integrating into networks used to share communications among employees, program participants, and the public; and
7. Providing the capability of equivalent access by nonvisual means to telecommunications or other interconnected network services used by persons who are not blind or visually impaired.

If the information technology product or system being offered by Contractor does not completely meet these standards, Contractor must provide an explanation within the VPAT detailing the deviation from these standards. State agencies cannot claim a product as a whole is not commercially available because no product in the marketplace meets all the standards. If products are commercially available that meets some but not all of the standards, the agency must procure the product that best meets the standards or provide written documentation supporting selection of a different product.

For purposes of this section, the phrase "equivalent access" means a substantially similar ability to communicate with, or make use of, the technology, either directly, by features incorporated within the technology, or by other reasonable means such as assistive devices or services which would constitute

reasonable accommodations under the Americans with Disabilities Act or similar state and federal laws. Examples of methods by which equivalent access may be provided include, but are not limited to, keyboard alternatives to mouse commands or other means of navigating graphical displays, and customizable display appearance.
