

## Children in Foster Care, Area 10

\*The chart above represents the number of children in foster care at the end of the month.

### Average Caseload, Area 10

Goal = 20.0

\*The chart above represents the average family service worker caseload at the end of each month.

### Children Placed in Emergency Shelter for Longer than 14 Days, Area 10

\*The chart above represents the number of children residing in an emergency shelter for longer than 14 consecutive days at the end of each month.

### Children Ages 12 and Younger Placed in Congregate Care, Area 10

\*The chart above represents the number of children ages 12 and younger placed in congregate care at the end of each month.

\*For this measure, "Congregate Care" includes Emergency Shelter and QRTP placements as well as Residential Treatment

## Children Placed in Family-Like Setting, Area 10

Goal = 90%

\*The chart above represents the percentage of children residing in a family-like setting at the end of each month.

*\*Family-Like Settings include both family-like homes (e.g., foster family homes, relative placements, pre-adoptive homes, therapeutic foster homes) and family-like residential facilities (i.e., home-like residential settings with live-in house parents).*

### Foster Homes, Area 10

**\*The chart above represents the number of homes approved as either a foster family home (including relative/fictive kin foster homes and those recruited by private agencies), therapeutic foster home, and/or provisional home at the end of each month. Prior to March 2026, this chart had excluded provisional and therapeutic foster homes.**

### Foster Care Monthly Visits, Area 10

Goal = 95%

\*The chart above represents the percentage of required visits made by family service workers to see children in foster care during the month.

# In-Home Monthly Visits, Area 10

Goal = 85%

\*The chart above represents the percentage of required visits made by family service workers to see in-home families during the month.

## Overdue Investigations, Area 10

**\*The chart above represents the number of overdue investigations at the end of each month.**

**\*An investigation that is overdue does not mean that the investigation is being ignored or is not being actively worked; rather, it signifies that the investigation has not yet been fully completed and approved within the required timeframe.**
