- 1. You have the right to be treated courteously and with respect.
- 2. You have the right to apply for any public assistance program at any time.
- **3.** You have the right to have your application processed in a timely manner.
- 4. You have the right not to give us any or all the information we ask for, even though that may affect our ability to process your case.
- 5. You have the right to be notified in writing of any changes in your benefit amount.
- 6. You have the right to look at your case file. If you disagree with something in your file, tell your county office worker.

- 9. You are responsible for notifying the Department of Human Services within 10 days if your personal information changes, your income or resources change, or if any other changes occur in your circumstances.

SNAP Rights and Responsibilities

SNAP helps people with low income and few resources get the food they need for good health. SNAP electronic benefits transfer (EBT) cards are used in place of cash to buy food. However, most people find they must spend some cash along with their SNAP benefits to buy enough food for a month.

Your Rights

- 1. You have the right to ask for help from your worker to get the information you need to establish your eligibility.
- 2. Participation in the SNAP is not time-limited. You can continue to get SNAP if you are eligible under SNAP rules. This is true even if someone in your home gets TEA cash assistance. If someone in your home does get TEA cash assistance, participation in SNAP not count against their TEA time limits
- 3. You have the right to know the SNAP rules.
- 4. You have the right to know how we worked your SNAP benefit case.

Your Responsibilities

1. Penalty Warnings

If you get SNAP, you must follow the rules listed below:

- **DO NOT** give false (wrong) information or hide information to get SNAP.
- **DO NOT** give false (wrong) information to help someone else get SNAP.
- DO NOT put your money or property in someone else's name in order to get SNAP benefits.
- **DO NOT** sell or trade or try to sell or trade your SNAP.
- **DO NOT** use your SNAP to buy items like alcoholic drinks or tobacco.
- DO NOT use a SNAP Electronic Benefits Transfer (EBT) card that belongs to someone else to buy food for your household.
- **DO NOT** use SNAP benefits or allow someone else to use these benefits if you know that the benefits have been received illegally, given to someone other than the legal owner, or are to be used in any illegal manner.

Any member of your household who admits to breaking any of these rules or who is found guilty of breaking any of these rules may be disqualified to get SNAP benefits for:

- . One year for the first violation
- Two years for the second violation
- · Permanently for the third violation

This person may also be fined up to \$250,000, sent to jail for up to 20 years, or both. They may be subject to federal prosecution. Federal penalties may include an additional disqualification period of 18 months or, for second and subsequent felony convictions for SNAP fraud, a mandatory jail sentence.

Additional Disqualifications

- A person found to have made a fraudulent statement or representation with respect to the identity or place of residence of the
 individual in order to receive multiple SNAP benefits simultaneously shall be ineligible to participate in the SNAP program for a
 period of 10 years.
- A person found guilty in a Federal, State, or local court of having trafficked benefits for an aggregate amount of \$500 or more shall be permanently ineligible to participate in the SNAP program upon the first occurrence of such violation.
- A person found guilty in a Federal, State, or local court of trading SNAP for controlled substances (illegal drugs or prescriptions that
 were not written for you) will be barred from receiving SNAP for 24 months for the first violation and permanently for the second
 violation.
- A person found guilty by a court of trading SNAP for firearms, ammunition, or explosives will be permanently barred from getting SNAP
- A person who is a fleeing felon or a parole or probation violator is barred from getting SNAP while they are fleeing to avoid custody.

Unless they are exempt, people between the ages of 18 and 50 who get SNAP must meet the Requirement to Work. Anyone who is not exempt must work at least 20 hours per week at a job or self-employment; or attend an approved job training course at least 20 hours per week.

3. What Can I Buy with SNAP benefits?

A person may buy only eligible foods with their SNAP benefits. Eligible foods include, but are not limited to, plants and seeds that can be used to grow food. You **cannot** buy the following items with SNAP benefits:

- Paper goods
- Cleaning products
- · Household items
- Alcoholic beverages
- Tobacco products
- Vitamins, medicine, or personal care items like toothpaste
- Foods prepared to be eaten in the store
- Hot food prepared in the store to be "carried out" and eaten

TEA Rights and Responsibilities

The Transitional Employment Assistance (TEA) program is intended to help needy families with children to become more responsible for their own support and less dependent on public assistance. Assistance from the TEA program is intended to help needy families become economically self-sufficient by providing opportunities to get and keep employment that will sustain the family. There is a limit to the number of months you can get TEA. It is your responsibility to work toward achieving self-sufficiency before your time-limited assistance ends.

Your Rights

- 1. To be advised in writing of your work requirements.
- 2. If personal or family problems are keeping you from going to work, your case manager may be able to refer you to an agency that may be able to help you.
- 3. You may apply for an extension of your TEA cash benefits at the end of your time limit due to circumstances beyond your control, if more time will help you to become fully independent.

Your Responsibilities

1. Meetings

Attend all meetings your case manager schedules for you.

2. Personal Responsibility Agreement

The Personal Responsibility Agreement (PRA) is an agreement stating what you will have to do for us to help you. Your case manager will go over these responsibilities with you. If you fail to do these things, it may cause a decrease in or loss of your cash assistance payment.

- You must cooperate with Child Support Enforcement unless you have good cause, work requirements, and certain responsibilities to your family.
- You must make sure your school-age child is going to school and that your preschooler gets their immunizations (shots).
- Fulfill all the requirements of your Personal Responsibility Agreement and Employment Plan.

3. Work Participation Activities

Adults who get TEA must complete work activities as described in their Employment Plans for a minimum number of hours per week. Allowable activities are:

- Employment with a private or public employer
- Micro-Enterprise (Self-Employment)
- On-the-Job Training
- Job Search and Job Readiness
- Work Experience
- Community Service
- Career and Technical Education
- Providing Childcare Services for a Community Service Participant
- Education Directly Related to Employment
- Job Skills Training
- Attendance at Secondary School

Your case manager will explain each activity and the participation requirements to you.

You must give DHS true information and not withhold information for the purpose of getting TEA without following the rules.

4. Penalty Warnings

- If you do not participate in your work activities, your TEA case manager will decide if you have a good reason and whether you are getting all the support services you need. If you do not have a good reason for not participating, your cash payment may be reduced, or your case may be closed until you do participate.
- If you get benefits to which you or your household are not entitled because you gave false information or hid information assistance will

be subject to recovery by DHS, any assistance you get in the future may be reduced to recover this overpayment, and you may be subject to prosecution for fraud and/or fined or imprisoned.

- DO NOT give false information or hide information in order to become eligible for benefits.
- DO NOT put your money or property in someone else's name in order to get TEA benefits.

5. Fraud

Fraud consists of giving false (wrong) information or withholding information for the purpose of getting assistance that a person is not entitled to under the program rules and regulations. Committing fraud can result in criminal fines, penalties, and paying back benefits.

6. Intentional Program Violation

An Intentional Program Violation (IPV) in the TEA Program occurs when a person gives incorrect information for the purpose of falsely maintaining the family's eligibility for TEA. If you are found guilty of an IPV you cannot participate in the program for:

- (a) the first offense, one (1) year.
- (b) the second offense, two (2) years.
- (c) more than two, permanently.

Health Care Rights and Responsibilities

Health Care reimburses providers for covered medical services that are provided to eligible needy individuals through the Medicaid program. Eligibility is determined based on income, resources, Arkansas residency, and other requirements. Covered services also vary among Medicaid categories. The Arkansas Works Program is not a perpetual federal or state right or a guaranteed entitlement program and it may be ended at any time upon appropriate notice.

Your Rights

- 1. You have the right to seek job search and job training services from the Arkansas Division of Workforce Services, but it is not a requirement to receive Medicaid or the Arkansas Works Program.
- 2. You do not have the perpetual federal or state right or a guaranteed entitlement to Arkansas Works, and it may be ended at any time upon appropriate notice.
- 3. You are giving DHS your rights to seek and get money from other health insurance, legal settlements, or other third parties.
- 4. You are giving the Medicaid agency rights to pursue and get medical support from a spouse or parent.

Your Responsibilities

1. General Responsibilities

- You have the responsibility to notify the Department of Human Services of any changes of household members who get additional income, acquire, or dispose of property (or if any other changes occur in your circumstances).
- You have the responsibility to give as much of the needed information as you can about your circumstances.
- You have the responsibility to fully complete forms with true information to the best of your knowledge.
- If receiving Healthcare in a nursing facility, Intermediate Care Facility for Individuals with Intellectual Disabilities (ICF/IID), or under a home/community-based waiver, you have the responsibility to have the amount of health care benefits that DHS paid on your behalf to be recovered from your estate or grantee of a beneficiary deed after your death.
- You have the responsibility to cooperate with the Office of Child Support Enforcement (OCSE) in establishing paternity and getting medical support for each child who has a parent absent from the home if the program you have applied for asks you to do so.

2. Penalty Warnings

If you get Health Care benefits, you must follow the rules listed below:

- DO NOT give false information or hide information in order to become eligible for benefits.
- DO NOT put your money or property in someone else's name in order to get Health Care benefits.
- If you get benefits to which you or your household are not entitled because you gave false information or hid information, assistance will be subject to recovery by DHS, any assistance you get in the future may be reduced to recover this overpayment, and you may be subject to prosecution for fraud, fined or imprisoned.

Privacy Notice

The PRIVACY ACT of 1974 requires the Department of Human Services (DHS) to tell you: (1) whether disclosure is voluntary or mandatory; (2) how DHS will use your SSN; and, (3) the law or regulation that allows DHS to ask you for the SSN. We are authorized to collect from your household certain information including the social security number (SSN) of each eligible household member. For the Supplemental Nutrition Assistance Program this authority is granted under the Food and Nutrition Act of 2008 as amended, 7 U.S.C. 2001-2036. For both the Medicaid Program and the TEA Program, this authority is granted under Federal laws codified at 42 U.S.C. §§ 1320b-7(a)(1) and 1320b-7(b)(2). This information may be verified through computer matching programs. We will use this information to determine program eligibility, to monitor compliance with program rules, and for program management. This information may be disclosed to other Federal and State agencies and to law enforcement officials. If claim arises against your household, the information on this application, including all SSNs may be provided to Federal or State officials or to private agencies for collection purposes.

Important Estate Recovery Notice

If you receive Health Care assistance in a nursing facility, ICF/IID facility, or under a home and community-based waiver program, the total amount of the Health Care benefits paid on your behalf will be owed to DHS and may be recovered from your estate or from the grantee of a beneficiary deed after your death. Your estate is the property you own at the time of your death. DHS will not make a claim against your estate while you are living. DHS will not make claim against your estate after your death if your spouse is still living or if you have dependent minor children under age 21 or blind or have children with disabilities. DHS will collect the debt, if any, by filing a claim in your estate. Collection may not be made if it is not cost-effective to DHS or if your heirs apply and are granted a hardship waiver after your death. A hardship may exist if the estate property is the only source of income for your heirs, if that income is limited, or if there are other compelling circumstances.

Quality Assurance

Your case may be selected for a Quality Assurance (QA) review. If so, the QA worker will check your case to see if you have given us the correct information. They will also check to make sure the DHS county office processed your case correctly. If your case is selected for a QA review, the QA worker will contact you for an interview. You are required to give information to prove your statements are true and correct. The QA worker may contact your employer, your bank, other agencies, your landlord, etc. for information. If you do not cooperate during a QA review, your SNAP case will close. You will not be eligible to get SNAP benefits until you cooperate with QA or until February of the following year, whichever comes first.

Your Right to Appeal

If you think that DHS has made a mistake, you can appeal its decision. To appeal means to tell someone at DHS that you think the action was incorrect and that you want a fair review of the action. You can be represented in the process by someone other than yourself.

You can request an appeal in the following ways:

• In person: Talk to staff of any county DHS office.

• By phone: You can call the Office of Appeals and Hearings at 501-682-8622 or you may call your local county office.

By email: DHS.Appeals@dhs.arkansas.gov

• By mail: Arkansas Department of Human Services
