## STANDARDS

## INTRODUCTION

The DDS Quality Assurance Unit produces this document to report on progress according to the Performance Measures established to measure how the State complies with the Subassurances contained in the Alternative Community Services Home and Community Based Waiver. The report is presented to the DDS Quality Assurance Committee in order to determine areas of significance and whether any areas indicated a need for intervention at a systems level.

The Quarterly Performance Measure Report (QPMR) for the fourth quarter of State Fiscal Year (SFY) 2014, specifically April through June 2014, consists of four parts: Level of Care, Qualified Providers, Service Plans, and Health and Welfare.

## DATA

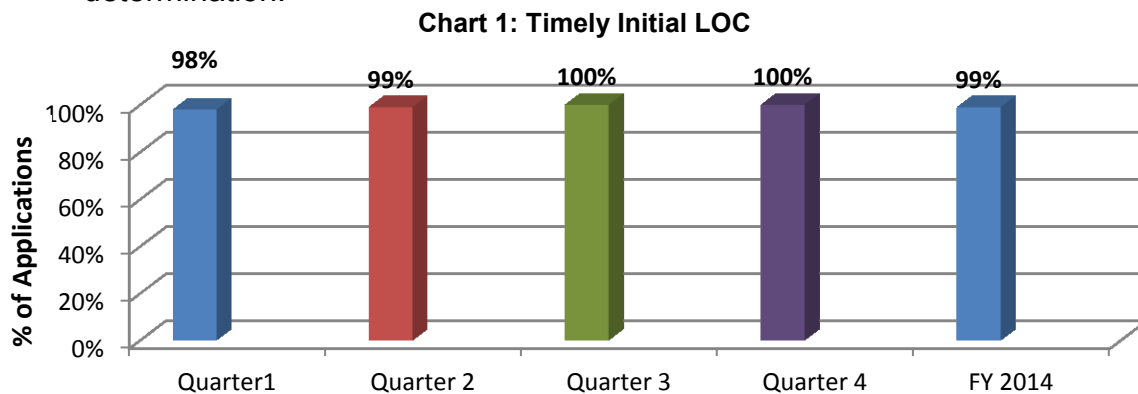

### Level of Care

#### **Subassurance A:**

Waiver applicants for whom there is reasonable indication that services may be needed in the future are provided an individual level of care (LOC) evaluation.

The state developed the following to measure compliance with Subassurance A:

**LOC A1:** Number and percentage of applicants for whom an application packet is completed and submitted timely to the DDS psychology team for an LOC initial determination.

Of the 268 application packets due for completion in FY 2014, 265 were completed within timeframes. This resulted in an overall percentage of 99% for the fiscal year.

**LOC A2:** Number and percentage of applicants who had an initial LOC determination completed before receipt of services.

**Chart 2: LOC Before Receipt of Services**

Of the 917 persons whose LOCs were due for completion in FY 2014, 689 were completed within timeframes. This resulted in an overall percentage of 75% for the fiscal year.

***Subassurance B:***

**LOC B1:** DISCONTINUED APRIL 2014

**Chart 3:**

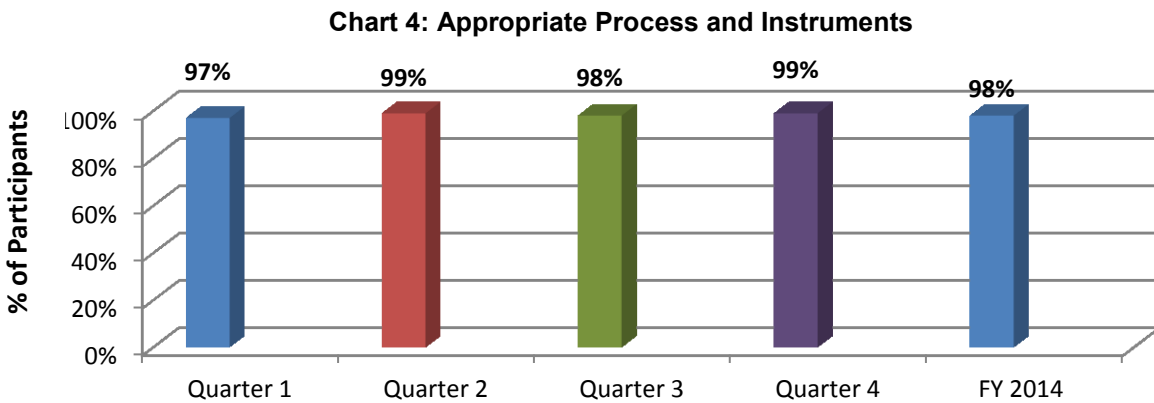

**Subassurance C:**

The processes and instruments described in the approved waiver are applied to LOC determinations.

The state developed the following to measure compliance with Subassurance C:

**LOC C1:** Number and percentage of participants for whom the appropriate process and instruments were used to determine initial eligibility.

Of the 587 files reviewed for compliance with this requirement in FY 2014, 578 were in compliance. This resulted in an overall percentage of 98% for the fiscal year.

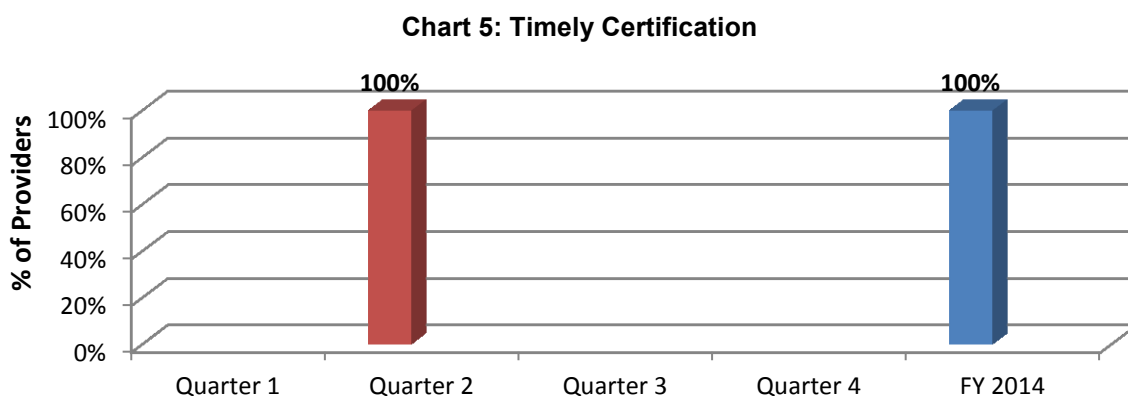

## Qualified Providers

### **Subassurance A:**

The state verifies that providers initially and continually meet required licensure and certification standards and adhere to other standards prior to their furnishing waiver services.

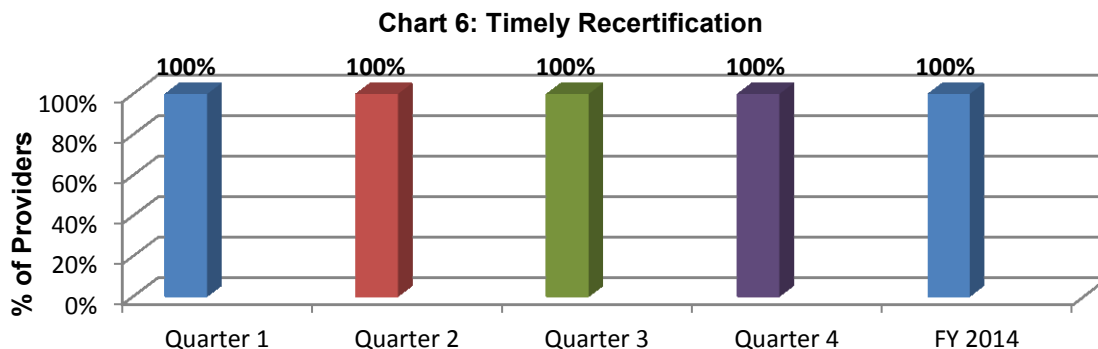

The state developed the following to measure compliance with Subassurance A:

**QP A1:** Number and percentage of providers who obtained initial certification in accordance with promulgated state Standards.

Only one provider applied for an initial certification in this fiscal year and was certified timely (100%).

**QP A2:** Number and percentage of providers who met promulgated state Standards and obtained annual re-certification.

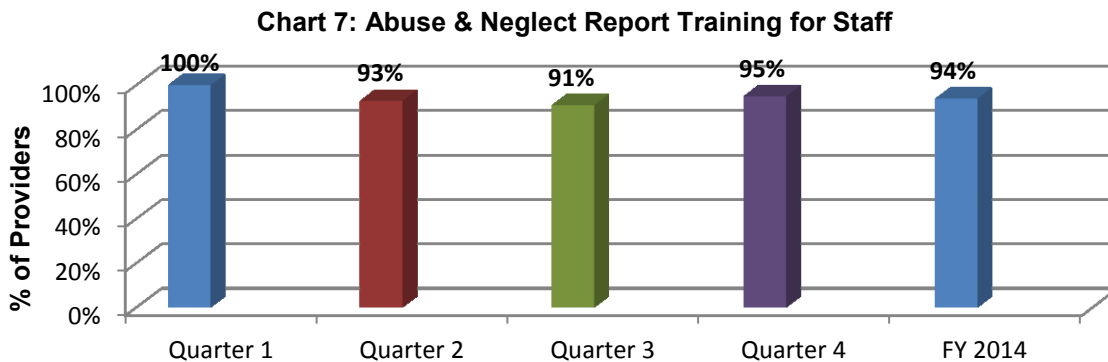

Of the 70 providers due for recertification in FY 2014, DDS recertified 70 within timeframes. This resulted in an overall percentage of 100% for the fiscal year.

**Subassurance C:**

The State implements its policies and procedures for verifying that training is provided in accordance with State requirements and the approved waiver.

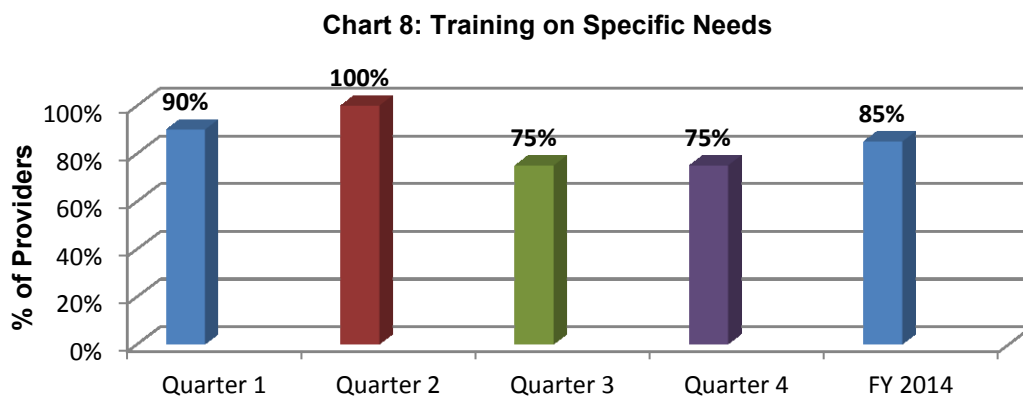

The state developed the following to measure compliance with Subassurance C:

**QP C1:** Number and percentage of provider agencies that meet DDS requirements for abuse and neglect report training for staff. (Standard 301.1.E.h & i)

Of the 53 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 50 were found to be in compliance. This resulted in an overall percentage of 94% for the fiscal year.

**QP C2:** Number and percentage of provider agencies that meet requirements for training staff on the specific needs of the persons they serve. (Standard 301.5.4)

Of the 71 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 60 were found to be in compliance. This resulted in an overall percentage of 85% for the fiscal year.

## Service Plan

### **Subassurance A:**

Service plans address all participant's assessed needs (including health and safety risk factors) and personal goals, either by the provision of waiver services or through other means.

The state developed the following to measure compliance with Subassurance A:

**SP A1:** Number and percentage of providers who developed service plans that were adequate and appropriate to the needs of individuals as indicated by their assessments. (Standard 507)

**Chart 9: Appropriate to Needs**

Of the 66 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 58 were found to be in compliance. This resulted in an overall percentage of 88% for the fiscal year.

**SP A2:** Number and percentage of providers who developed service plans that addressed the individual’s personal goals. (Standard 508.1B.3.a.1-6)

**Chart 10: Personal Goals**

Of the 66 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 51 were found to be in compliance. This resulted in an overall percentage of 77% for the fiscal year.

**SP A3:** Number and percentage of providers who developed service plans that address the individuals’ risk factors. (Standard 507.A)

**Chart 11: Risk Factors**

Of the 66 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 63 were found to be in compliance. This resulted in an overall percentage of 95% for the fiscal year.

**Subassurance B:**

**SP B1: DISCONTINUED APRIL 2014**

**Chart 12:**

**Subassurance C:**

Service plans are updated or revised at least annually or when warranted by changes in the individuals' needs.

The State developed the following to measure compliance with Subassurance C:

**SP C1:** Number and percentage of providers who updated service plans at least annually. (Standard 509.B)

**Chart 13: Updated Service Plans**

Of the 66 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 66 were found to be in compliance. This resulted in an overall percentage of 100% for the fiscal year.

**SP C2:** Number and percentage of providers who reviewed and revised service plans as warranted by changes in individual needs. (Standard 509.A or 510)

**Chart 14: Individual Needs**

Of the 66 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 50 were found to be in compliance. This resulted in an overall percentage of 76% for the quarter.

**Subassurance D:**

Services are delivered in accordance with the service plan, including the type, scope, amount, duration and frequency specified in the service plan.

The State developed the following to measure compliance with Subassurance D:

**SP D1:** Number and percentage of providers who delivered services in in the type, scope, amount, duration and frequency specified in the service plan. (Standard 508.1.B. 4 & 5 and 508.2.E.1-3)

**Chart 15: Type, Frequency & Duration**

Of the 66 providers reviewed for compliance with or investigated due to a complaint regarding this Standard in FY 2014, 60 were found to be in compliance. This resulted in an overall percentage of 91% for the fiscal year.

**Subassurance E:**

**SP E1: DISCONTINUED APRIL 2014**

**Chart 16:**

**SP E2:** Number and percentage of participants who were offered choice as indicated by an appropriately completed and signed freedom of choice form that specified choice of providers.

**Chart 17: Choice of Provider**

Of the 3885 files reviewed for compliance with this requirement in FY 2014, 2688 were found to be in compliance. This resulted in an overall percentage of 69% for the fiscal year.

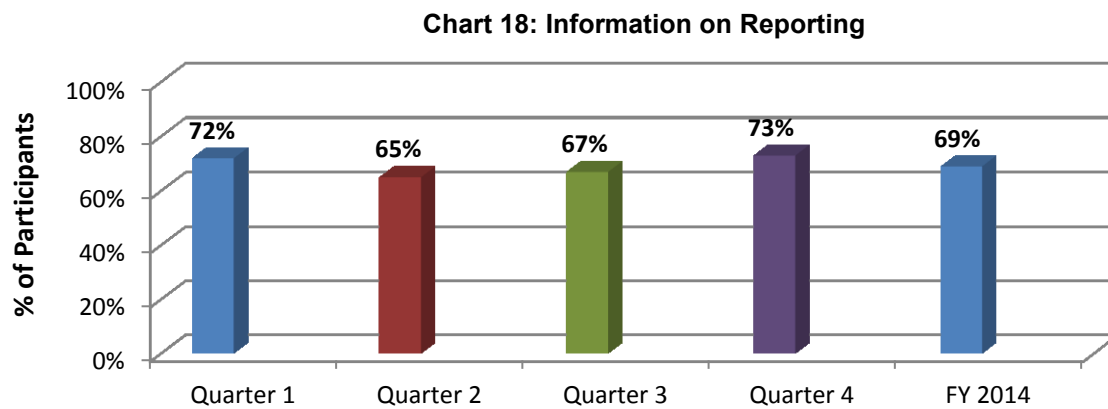

## Health and Welfare

### **Health and Welfare Subassurance:**

On an ongoing basis the State identifies, addresses and seeks to prevent instances of abuse, neglect and exploitation.

The State developed the following to measure compliance with the Health and Welfare Subassurance.

**HW 1:** Number and percentage of participants or legal guardians who received information about how to report abuse, neglect and exploitation as documented on the applicable form.

Of the 3885 files reviewed for compliance with this requirement in FY 2014, 2688 were found to be in compliance. This resulted in an overall percentage of 69% for the fiscal year.

**HW 2:** Number and percentage of critical incidents that were reported by the provider to DDS within required time frames.

**Chart 19: Reporting Critical Incidents to DDS**

To be considered timely, the provider must report an incident within 2 business days of the incident. A critical incident is defined as death, suicidal behavior, suspected abuse and neglect by a staff person, a consumer whose location is unknown for 2 hours, use of a restrictive intervention and arrest of a consumer.

Of the 428 reports of critical incidents submitted in FY 2014, 325 were submitted timely. This resulted in an overall percentage of 76% for the fiscal year.

**HW 3:** Number and percentage of critical incidents that were reported to Adult Protective Services (APS) or Child Protective Services (CPS).

A critical incident is defined for this measure as suicidal behavior, suspected abuse and neglect by a staff person, a consumer whose location is unknown for 2 hours, use of a restrictive intervention and arrest of a consumer.

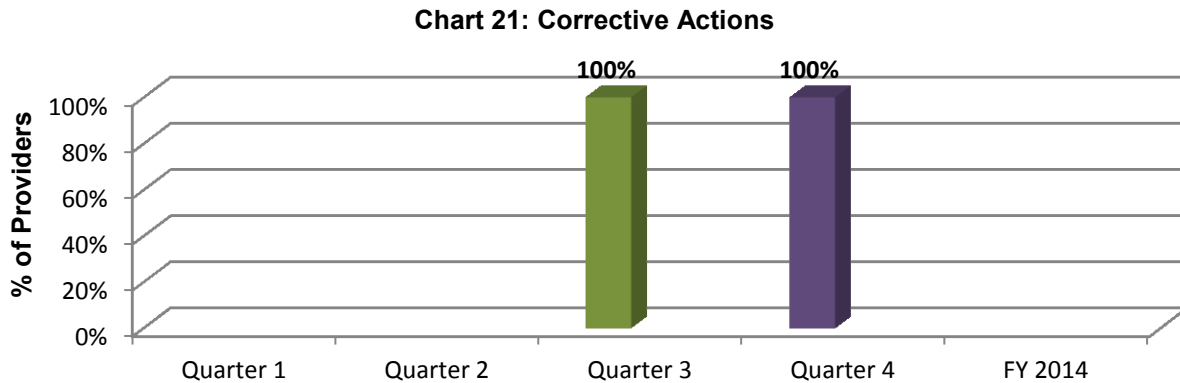

**Chart 20: Reporting Critical Incidents to APS or CPS**

Of the 139 reports of critical incidents submitted in FY 2014, 119 were submitted timely. This resulted in an overall percentage of 86% for the fiscal year.

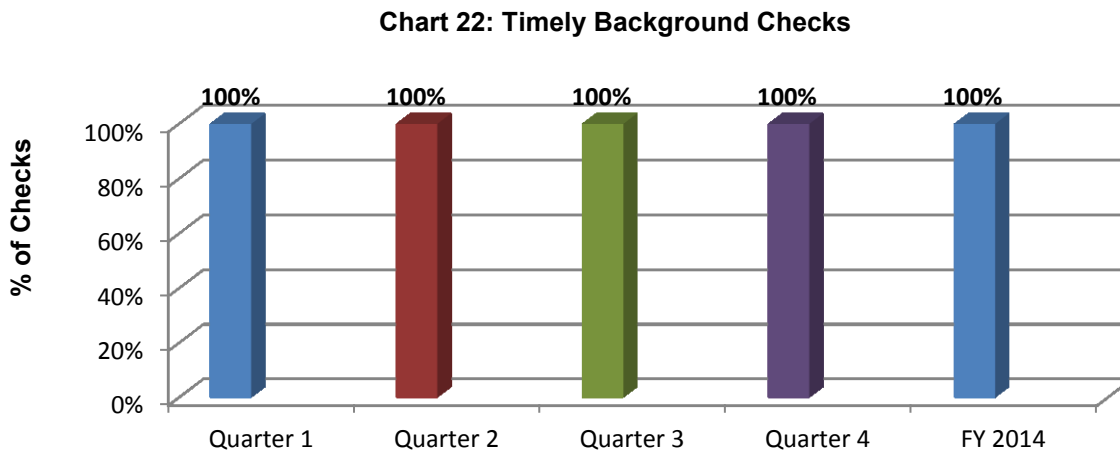

**HW 4:** Number and percentage of critical incidents where the provider took corrective actions to protect the health and welfare of the individual.

A critical incident is defined for this measure as suicidal behavior, suspected abuse and neglect by a staff person, a consumer whose location is unknown for 2 hours, use of a restrictive intervention and arrest of a consumer.

No data was collected for this performance measure for Quarters 1 and 2. No year-end totals to report.

**HW 5:** Number and percentage of criminal background checks completed by DDS on a timely basis.

To be considered timely, the Background Check Unit must complete the check within 14 days of the date they receive the request. Of the 1762 received in FY 2014, 1762 were completed timely. This resulted in an overall percentage of 100% for the fiscal year.

**HW 6:** Number and percentage of complaint investigations that were completed on a timely basis.

**Chart 23: Timely Investigations**

To be considered timely, the Investigation Unit must complete an investigation within 30 calendar days. Of the 49 complaints received in FY 2014, 39 were completed timely. This resulted in an overall percentage of 80% for the fiscal year.

**HW 7:** Number and percentage of reported deaths that were reviewed by the Pre-Mortality Review Committee on a timely basis.

**Chart 24: Death Reviews**

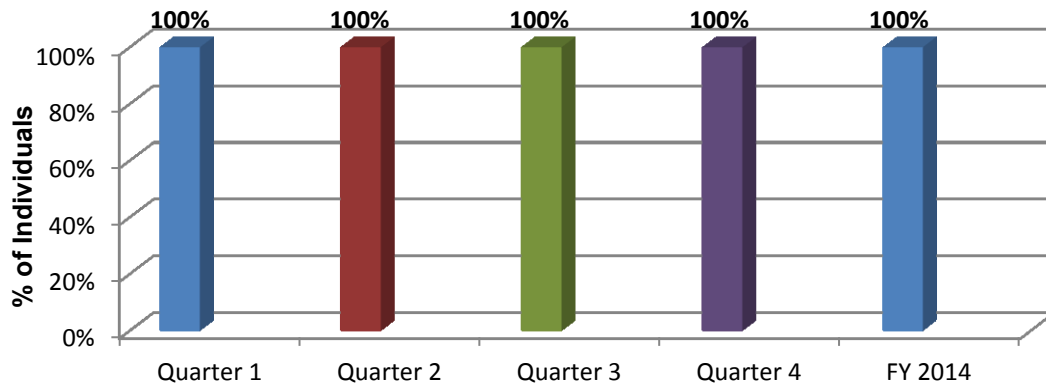

To be considered timely, the Committee must review the circumstances of a death within 9 months of the date the death occurred. Of the 58 deaths reviewed in FY 2004, 58 were completed timely. This resulted in an overall percentage of 100% for this fiscal year.

**HW 8:** Number and percentage of individuals for whom the provider adhered to DDS requirements for the use of restrictive interventions.

**Chart 25: Restrictive Interventions**

Of the 76 Incident Reports describing the use of a restrictive intervention reviewed for compliance with requirements in FY 2014, 76 were found to be in compliance. This resulted in an overall percentage of 100% for the fiscal year.

**HW 9:** Number and percentage of providers who demonstrate responsibility for maintaining overall health care standards.

**Chart 26: Health Care Standards**

This performance measure was added in April, 2014. Data is only available for Quarter 4. There will be no year-end report for this measure.
