

# Living Choices Assisted Living Waiver

## What is Living Choices Assisted Living?

The Living Choices Assisted Living waiver program allows beneficiaries to live in apartment-style living units in assisted living facilities while receiving individualized personal, health, and social services.

## What Services can be provided?

### Living Choices Assisted Living Services

- Attendant care services
- Therapeutic social and recreational activities
- Periodic nursing evaluations
- Limited nursing services
- Medication oversight
- Assistance with obtaining non-medical transportation

### Extended Medicaid State Plan Prescription Drugs

## What are the eligibility requirements?

To be eligible to receive services through the ARChoices Waiver, applicants must meet **all** the following requirements:

1. Be aged 21 through 64 years old with a physical disability OR be aged 65 and older
2. Meet established financial criteria
3. Meet established level of care criteria
4. Have a need for at least one of the available services

Assisted living enables beneficiaries to:

1. Live independently with 24-hour on-site response staff.
2. Socialize with others while still enjoying the privacy of a separate and distinct living unit.
